INTERNATIONAL CABINET CONTRACTORS
2019 CATALOG

WHO WE ARE

We are the cabinet professionals. Whether wholesale or retail, we offer the best quality cabinetry. We offer a unique business opportunity for the handyman or contractor, by making the building and installation of basic or luxury cabinet systems a snap. If you're a DIY or if you have years of experience in the industry, come and take a look at how we can maximize your efforts. We manufacture our own products, so by buying factory direct, ICC will save you time and money.

Family owned and operated, International Closet Center has over 100 years of combined experience in the industry and we will assist you with design, production, delivery and installation. Over the years we have provided our customers with cabinet and storage solutions for different areas of the home, including closets, kitchens, wall units, home offices, garages, entertainment centers, kids' rooms, pantries and more. Always with an American product of unparalleled quality.

OUR BRANDS

We have 3 strategic brands designed to meet every need and every budget.

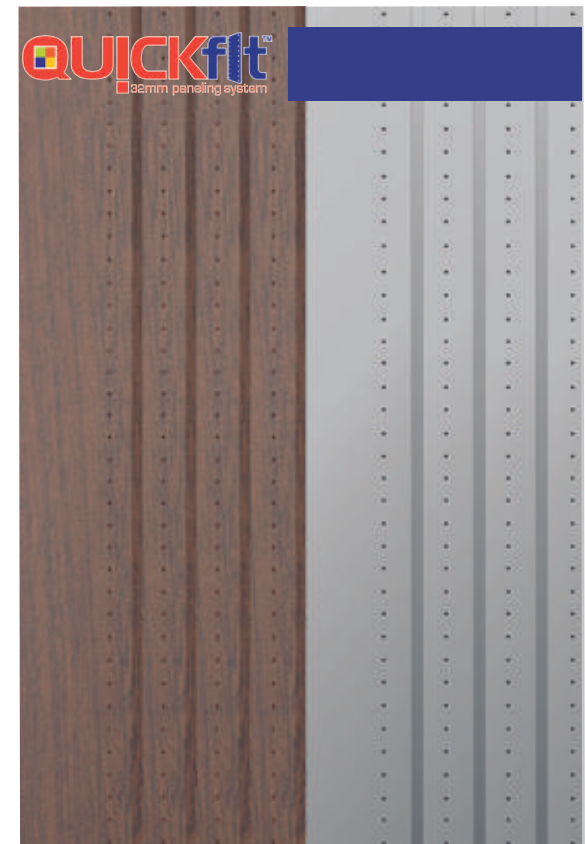

CRAFTSMAN'S CHOICE

European style closets and cabinet systems have a reputation for being the best, and there is a reason for that. Choose any number of modules and measurements to fit your needs. It has class, style, and functionality. This system can be adjusted in a million different ways to fit your project's needs. The Craftsman's Choice Closet System also provides a magnificent business opportunity and it is the foundation of our Dealership Program.

WALL FIX

Wall Fix is the perfect solution for a great closet on a budget. Ideal for the hospitality industry, Wall Fix is a great alternative to replace ugly closet wire systems and cookie cutter plastic racks. With easy installation and a variety of color options, Wall Fix can turn any ugly wire closet into a great looking and functional space.

QUICK FIT

QUICKfit is a revolutionary product perfect for sale in large hardware stores or carpentry supply wholesalers. This 32mm paneling system of prefabricated panels for carpenters and cabinet manufacturers are already cut to size and come ready to assemble into closets or other types of cabinetry. QUICKfit comes in blank, one-sided or double-sided panels in a variety of colors and textures. With QUICKfit, any carpenter or cabinet maker will save money and the most valuable of resources, time.

OUR **MISSION**

To be the one-stop provider of cabinetry solutions for the construction and home improvement industry

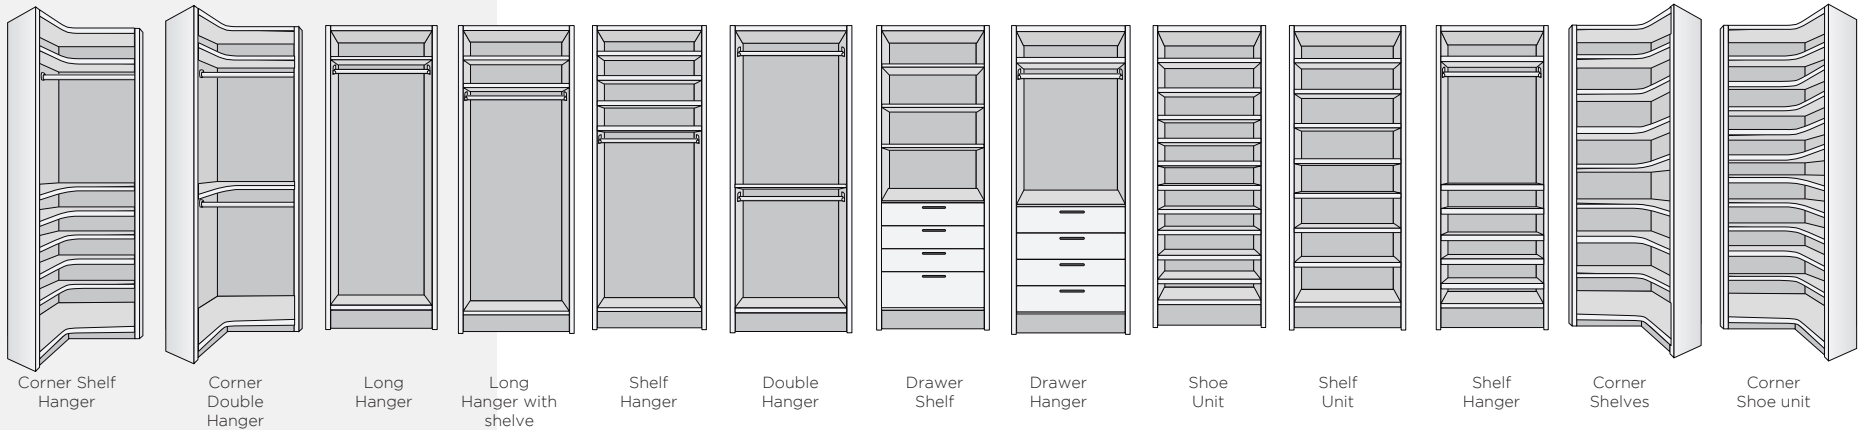

OUR **VISION**

To be recognized as an industry leader for our excellence in quality and service in everything we do.

CLOSET HARDWARE & ACCESORIES

THEY HAVE A COMMENDABLE HISTORY IN THE CLOSET INDUSTRY.

They certainly not new at this. In fact, Häfele has been a key player in the closet industry for more than 20 years. Our legendary RAFIX connector quickly became the industry standard. Decades later, it's still widely used in closet and RTA applications throughout the world.

FAST ANSWERS TO YOUR CLOSET HARDWARE QUESTIONS.

Having the most comprehensive home organization hardware selection in the industry is just the start. They also have the best team of consultants to help you choose and get the maximum performance from each component. As one of our valued customers, you'll have direct access to a Häfele Hardware Consultant who is thoroughly trained to answer your questions and help you bring Häfele Functionality to all your home storage projects. They make the process of selecting hardware fast, efficient and effective.

Just as important, we'll make sure your Häfele components and accessories always deliver the performance you and your clients demand. All this means you'll be able to spend less time managing suppliers and more time focusing on your customers—and your business.

THEY'LL HELP YOU STAY ON TOP OF THE NEWEST TRENDS.

Häfele is more than a hardware supplier, they are a global resource that can keep you informed about new products, trends and ideas. If something new is happening in the home organization category you'll likely hear about it first from your Häfele Hardware Consultant. They can also provide you with tools to help your customers visualize all the features that can be built in to their new closet making it easier for you to sell.
