Dear Juan,
Greeting of the day !!!

We are pleased to share the sample feedback report with you.

Our lab supervisor and quality control expert have examined your beans thoroughly and said this is one of a kind.

We see there is a huge market for this kind of coffee.

Please let me know when the feasible time for you is to visit us again and discuss way forward. We are excited and looking forward to our next step.

Let me know if you have any question.

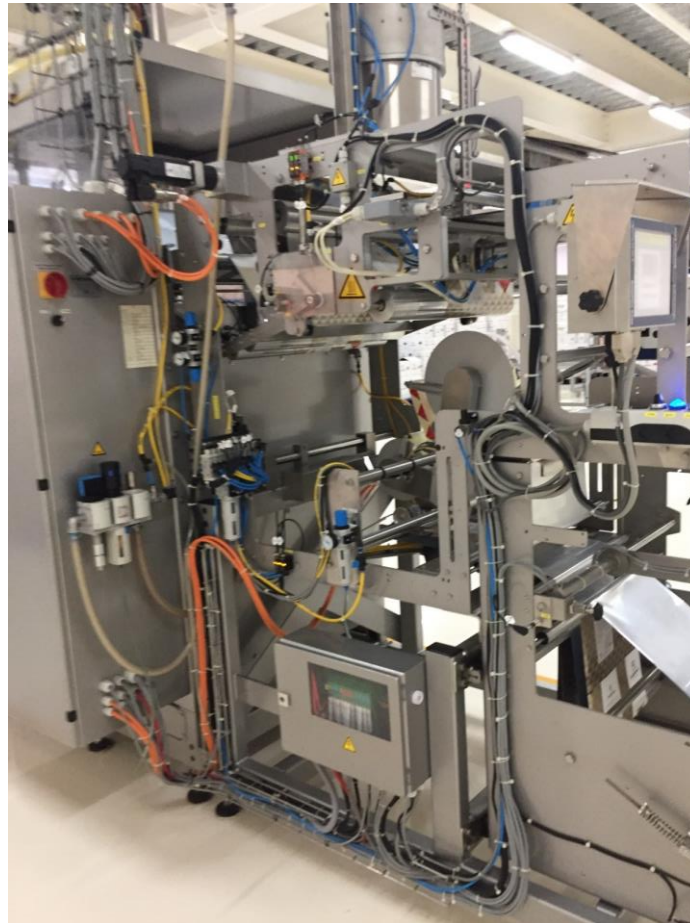

Sincerely,

Arslan
