UNIFORMES

With over 50 years of experience in the textile and clothing sector in the local market, we work hard to improve our processes every day, aiming at the constant improvement needed to keep us on the path to steady growth.

The images we provide here serve only as an example of the garments we know how to make. We can make the ones you prefer, but if this selection does not fit your needs, we will be glad to develop the right piece for you with the passion that defines us and everything we do. If desired, we can include your company's or brand's logo.
