

Caramelo Sectional

The Caramelo set represents the quintessential return to nature in a distinguished Midcentury Modern style.

The harmony of its high quality materials and pure colors make it a timeless piece that will create a peaceful oasis in any setting.

At the heart of this piece, a sturdy aluminum frame is accented with two-tone natural round wicker hand-woven by Honduran artisans.

Dressed in Texsilk fabric made in Spain, you won't want to leave it because it is so cozy!

This is your chance to create the perfect natural atmosphere on the patio or at the cottage.
