

About us

The X-AR team develops a comprehensive program to help Argentine SMEs to export their products and services.

We work together with companies that want to develop their business outside the domestic market, providing consultancy and information services.

In order to boost sales of Argentine products and services to the world, we offer **consulting services to foreign buyers** to provide them with certainty and reliability of local companies and product searches according to their needs.

We partner with you to offer **independent services** that will help you reduce risk, streamline your processes and operate in a more sustainable manner.

If you **want to be sure** about your suppliers and that you will receive the goods you had purchased, our suite of audits and others improvements tools and services can help you do all of that.

We look forward to be your strategic partner in Argentina.
