All of our Chai blends to infuse are characterized by being FREE FROM products: 100% natural, sugar-free, lactose-free, caffeine-free, gluten-free, additive-free, and preservative-free. Our product is perfect for people who experience some type of food allergies or intolerances or simply consume low-carbohydrate diets or lead a Vegan or Keto lifestyle.

Our products are made from carefully selected raw materials of Kosher/Halal quality (endorsed by the Orthodox Union and the Islamic Food and Nutrition Council of America (IFANCA)), from companies recognized in the international trade of spices and aromatic herbs for their strict protocols in the treatment process, quality control and safety of its products.

At this moment we offer individual presentations for RETAIL and its versions for the HORECA channel.

We managed to establish ourselves as a recognized brand in the national market and we are now looking at new markets to export our products.

Of course, we would love to coordinate a meeting to expand the information and talk about new markets opportunities.

We remain available to further discussion at your convenience and grateful for the attention.
