

BONGUSTO

Bongusto

Meet Bongusto

Bongusto is a company of Italian descendants from Bologna in 1896 formed by patriarch Mr Antonio Guermandi, his wife Zelia and two children of the couple, the oldest Julio, graduated in business administration with more than 10 years of experience and the youngest son Guilherme who joined the company in 2019 after almost 10 years working in the financial market.

In 2012 Antonio and Julio decided to unite their experience in the dairy and coffee industry and with the desire to bring to the market the family recipes that crossed generations, they founded Bongusto. With a wide range of dairy products and coffees, the family has always been concerned with the extreme quality of their products, maintaining tradition, taste and dedication in every cup.

Bongusto is in Indaiatuba SP, 100 km from São Paulo capital and 200 km from the port of Santos.

Facilities

Large industrial facility strategically located in Indaiatuba, which is 8 km from Viracopos International Airport. Access to the capital São Paulo and to the largest export port for three major highways, whose cities are 90 km and 130 km away respectively

Total area of 10.763 sqft and production capacity of 300 tons/ month.

Made with the best raw materials, all of them with quality control certified at the origin, Bongusto products have more taste, consistency and yield as similar national ones.

Nostro Gusto

Nostro Gusto: Made to be shared!

In Beautiful collectible cans, products from 3,54 oz, to 7 oz the cans were developed exclusively for Nostro Gusto line, becoming part of office or home decor.

Hot Cocoa

European Style

When you're craving sweet, chocolatey goodness, nothing beats the taste of a piping hot mug of Cocoa Bongusto. It's the perfect drink for bundling up and snuggling on the couch, with every delectably rich chocolate flavored sip reminding you of happy times.

Ingredients:

Sugar, cocoa, corn starch, tickener and natural flavor.

Preparation Instructions:

Stove: Dissolve 200 g of the product in 1 liter of milk and heat. Keep on low heat, stirring until it reaches the desired texture.
