TRIB·ECO

Social Enterprise that
promotes, represents
and supports Latin-
American Sustainable
Fashion brands.

OUR MISSION

Promote the creation, growth, and development of Sustainable Fashion in Latin America. We believe in our potential to be an agent of change within the fashion industry in the world.

OUR IMPACT

During the last year we've been able to help 20+ Sustainable & Ethical fashion brands from Latin-America to export for the first time to countries such as the US, Spain, Hungary, and more.

This next year comes with more opportunities for TRIB•ECO brands to expand their markets and help their communities. We've seen the impact that social entrepreneurship can make, now we want to support even more brands to find success and create a bigger positive influence in the region.

WE ARE THE FIRST SUSTAINABLE FASHION BUSINESS PLATFORM IN LATIN-AMERICA WORKING ON:

- Educating, guiding and advising sustainable fashion brands that seek to improve their sustainability attributes, branding, and digital presence.
- Supporting this by helping them find a range of sustainable textiles at their fingertips, advising them on digital tools and accompanying them in their communication strategies.
- Seeks marketing opportunities in international markets to display the products of the brands that are part of TRIB•ECO. We look for the best experiences for brands from pop-up stores, stores, fairs, etc.

TRIB•ECO FOUNDATION

A micro-financing fund that provides support to local entrepreneurs in vulnerable communities in Colombia.

Unlike traditional micro-finance funds, entrepreneurs provide interest on their funds not in economic terms but rather through a demonstrated social impact provided in their communities every month. That is, every month in addition to repayment of the loan, the entrepreneur will provide a report on the social work completed in their community.

We call this Social Interest Rate

We are always looking to expand our resources and engage with as many entrepreneurs as possible. If you would like to make a donation go to
