

# Eventdex

Eventdex is the only '**App-First**' cloud-based platform to automate the entire event management software lifecycle, offering you instant access to all your saved data. From easy access to speaker information, encouraging networking at events to setting up one-on-meetings, quickly receiving payments and everything in between, Eventdex is a one stop shop for all your event needs. Our suite of event solutions includes Lead Retrieval app, one on one MatchMaking app, Registration Services and Attendee Check in app. With a clean interface, we make sure that the user experience is easy, resulting in the growth of the event community.
