FICC: The Voice of the Business Sector in Israel

Established in 1919, the Federation of Israeli Chambers of Commerce (FICC) is Israel's oldest and largest business organization, with more than 5,000 members and over 7,000 associates. FICC is engaged in all sectors of the local market, operates in over 80 active branches of industry and serves as an umbrella organization for six regional chambers of commerce throughout the country.

FICC works to empower Israel's business sector on various capacities:

- Promoting the interests of Israeli businesses and representing these sectors in their interactions with the country's government agencies, Knesset, legislators, municipalities and other authorities;
- Advancing the specific agendas of over 80 sectors in the Israeli market, each represented by its own division at FICC;
- Providing guidance on legal issues and employment laws, reviews on economy and taxation, data on imports, customs and standardization. Operating an information center, issuing ATA Carnet and foreign trade documents, managing internationalization & business development, providing an extensive range of professional courses via its Business College and more;

FEDERATION OF ISRAELI CHAMBERS OF COMMERCE

ISRAEL'S LARGEST BUSINESS ORGANIZATION

Gateway to Israel's Largest Hub of Business Opportunities

The FICC maintains a vast global network of over 1000 foreign trade promotion organizations, including foreign chambers of commerce, investment & trade agencies, government ministries and embassies worldwide. This aims to promote business ties and partnership opportunities of its members in global markets worldwide.

With the intermediary expertise gained throughout the years, FICC acts as a unique focal point for any trade promotion organization or private business that requires assistance in locating Israeli partners, allowing easy access to the Israeli business ecosystem and to a broad diverse and exclusive spectrum of trade opportunities between businesses around the world and their prospective partners in Israel.

Within this frame, FICC operates a digitized business opportunity platform that enables free of charge exposure to foreign companies seeking to do business in or with Israeli companies.

The anonymous platform allows FICC and its partner organizations to follow up and be updated of success stories throughout the platform.

At the same time, FICC shares with its fellow counterparts on a regular basis business requests and offers of its Israeli members including importers, distributors, agents, representatives and more.
