VITALLEDERM

INTENSE CARE FOR SENSITIVE SKINS

Vitallederm line was designed to take care of the skin of dogs and cats with great care, ensuring cleanliness, freshness, hydration and beauty

SKINSEC SPRAY

Indicated for dogs and cats with dry and sensitive skin. The product hydrates and helps to regulate skin's humidity.

Use: Apply Skinsec Spray on the skin and coat or directly on the dry area, after cleaning the dog or cat. There is no need to rinse.

SKINREG REGENERATING OINTMENT

Indicated to help in the restructuring and hydration of sensitive and dry skin.

Use: Apply the product to the clean and dry skin and coat, spreading until the product is completely absorbed.

ALIVISKIN SOOTHING LOTION

Indicated to promote deep hydration to sensitive skin. The lotion provides comfort, freshness and hydration for sensitive skin.

Use: Apply the product to the clean and dry skin and coat, spreading until the product is completely absorbed. There is no need to rinse.

OIL FREE SHAMPOO

Shampoo indicated for cleaning the skin and coat of dogs and cats. Remove oil excess without causing dry skin.

Use: Wet the animal thoroughly with water, protecting the eyes, nose and ears. Apply the product in sufficient amount to foam throughout the body, always massaging. Leave on for 5 minutes. Rinse with water. Dry gently with towel or air.

CONDITIONER

Indicated to condition and moisturize coat and skin of dogs and cats. Contains in its formulation natural substances such as Borage oil, Aloe vera and Licorice extract.

Use: Wet the animal thoroughly with water, protecting the eyes, nose and ears. After using the shampoo, apply Vitallederm Conditioner in sufficient amount to foam throughout the body, always massaging. Leave on for 5 minutes. Rinse with water. Dry gently with towel.

HYPOALLERGENIC SHAMPOO

Shampoo indicated for sensitive and delicate skin. The product offers cleaning in a smoothly way, ideal for sensitive skin.

Use: Wet the animal thoroughly with water, protecting the eyes, nose and ears. Apply the product in sufficient amount to foam throughout the body, always massaging. Leave on for 5 minutes. Rinse with water. Dry gently with towel.
