Are You Ready For The Next Step?

About Us

Innovative Scale Canada is a *non-profit* organization based in Toronto, Canada. ISC provides services to Hispanic American startups looking to expand their operations.

Our goal is to bridge the knowledge gap and eliminate any challenges, so that our client's core business is aligned with the growth and current demands of the Canadian and North American markets.

We have a diverse team with experience and expertise in entrepreneurship, global commerce, and research. Our team speaks over ten languages and have experience living and working in all corners of the globe.

As a network of entrepreneurs from Canada and Hispanic America with a wealth of experience throughout different industries, we open doors for founders that are ready to scale into the North American market.

Helping Latin American Startups Scaling to the North American Marketplace

Our Team

Mission and Vision

Our **Mission** is to provide an opportunity to scale to an unexplored potential market with great growth possibility while taking advantage of unique competitiveness that Canada offers by accessing to all the know-how necessary to establish the business in the target market with the specific scope and focus required

Our **Vision** is to be the strategic partner of excellence and trust for all our clients and allies, minimizing their operational risks and associated costs in Canada by sharing resources and infrastructure obtained through our strategic alliances.

Our Programs

Innovative Scale Canada is your strategic partner. When it comes to Latin America, we have our ear to the ground on the continent's ecosystems. We partner with startups ready to scale in industries such as Healthtech, Edtech, Fintech, Biotech, Insurtech, Agtech, Cleantech, Minetech, Construtech, Proptech, AI, Robotics, among others.
