Latitude 13Point1

Teamwork ✕ **Growth** ✕ **Success**

Founded in May 2013, Latitude 13Point1 Inc. recognizes strategy formulation and execution as a challenging issue and is uncompromising in our dedication to this integral element in all our business activities. We help our clients to integrate strategy and operations to make better decisions and improve their company's performance.

Latitude Point has helped organizations streamline day-to-day operations while significantly reducing long-term cost and expenditures and positioning them for future growth.

Latitude Point currently provides support in Strategy and Performance Management, Measurement and Evaluation, Organisational Change Management, Business Process Analysis, Project management, ICT Strategy and Performance Management and Managed Services

Let's meet for a Café and Confer.

13Point1

Teamwork  Growth  Success

What we do

Deliver value by assisting our trusted Clients to bridge the gap between strategy formulation and its execution and so improve their decision-making, performance and results, through the services we provide.

We provide the right service to our client, wherever they are in the business cycle, to help them achieve their goals.

We are committed to provide resources and expertise to small and medium sized businesses and non-profit organisations. Our service offerings give us the flexibility to provide the right service to our client, wherever they are in the business cycle, to help them achieve their goals.
