Lider
kozmetik 

ABOUT US

Lider Kozmetik was established in Istanbul, Turkey in 1978

The goal of the company is to be an innovative player in the personal and home care industry by developing the right products as per the needs of the consumer. Lider Kozmetik, with the support of a dedicated team of employees, aims to be a leading company in the industry while continuously delivering profit and value to all the stakeholders ranging from suppliers and business partners to customers and consumers.

In 2001, the company launched Green World and XL brands and diversified into the Home Care products category with the export market expanding to 36 countries. In the year 2005, the company added Personal Care products to the product assortment and launched Majix and Aleda brands with the export market base increasing to 45 countries. Today, with an export market of 90 countries, Lider Kozmetik has started construction for a new manufacturing plant in IMES industrial region while employing 261 workers thus generating a meaningful employment in the territory.

Lider Kozmetik has a 30.000 m² integrated production facility in Dilovasi at 40 km east of Istanbul. The facility has production capacity of 105 million units of personal, home and car care products in 1 shift regime per year. The company is one of the largest manufacturers of Aerosol products in Middle East and Turkey.

The production plant is equipped with latest technologies. Lider Kozmetik allocates 5% of its revenue to R&D department.

Lider Kozmetik has a dedicated Private Label division and manufactures private label products for famous companies and retail groups globally such as Carrefour, Tesco, Metro, BIM, Migros, Gratis, Şok, Auchan, OK, Fiksprays, Magnit, CBA, Pikadely and Kaufland.

The product range of the company meets ISO 9001, TSE and GMP quality standards. Some of the product offering include perfume, deodorant body spray, hair spray, body mist and body lotion, hair mousse, air freshener, furniture polish, carpet/kitchen/bathroom/oven/glass/leather cleaner, anti-dust spray, lighter gas. Besides these products, new ones are under development and will soon be launched in the market.

Lider Kozmetik is paving the road to the future, by staying true to its vision statement, in line with its mission by creating brand awareness in the world, by employing more people and most importantly by adding value in the lives of the people.
