

MMIL AGRONEGOCIOS SRL
Buenos Aires
Argentina

Dear Sir,

We are pleased to introduce Mmil Agronegocios SRL as traders of specialities, dairy products, rice, meat, starch and cassava flour.

Starting its activities in 2010, Mmil Agronegocios has focused in the trading business of pulses, meat and dairies to Brasil and throughout the world. With an office in Buenos Aires and agreement with some plants, in Argentina and Paraguay , where we guarantee the quality products to offer and agreements with producers in the region, we have an excellent opportunity to sell quality and quantity.

As a consequence of relationship with important customers around the world we increased our portfolio adding dairy products such as whole milk powder – skimmed powder , cheese, butter and others.

During 2016 we closed an agreement with an important supplier that allows as to offer rice, starch and cassava flour.

In addition the company has several agreements with forwarders offering diverse delivery terms with special conditions of demurrage, plug in and storage in many countries.

We develop markets as Brasil, Chile, Uruguay, Colombia, Panama, Jordan, Turkey, Pakistan, India, Vietnam, Arab Emirates, Israel, Portugal, Spain, France.

That is why we come in contact with you, with the purpose of request you to join as new customers and the expectation to be the beginning of a long-term business cooperation between both companies.

Loooking forward to hearing from you soonest,

Mmil Agronegocios SRL
