MANA
WARA

Being Manawara means paying tribute to nature,
translating each detail of this earthly paradise into
a unique experience for your taste buds.

Respect towards Brazilian flavors

Manawara was created out of the desire to share Brazilian ingredients and to reveal flavors that exist only in the Amazon.

In celebrating the riches that only Brazil can provide, Manawara was born.

Our gummy candies are natural and present unique flavors, textures and colors, which provide a unique experience of taste.
