CAPABILITY STATEMENT

Core Competencies

On Point Strategy LLC (OPS) is a management consulting firm that provides a wide range of operational improvement and compliance services to corporations, government, non-for profit, and other organizations. OPS is certified by the Small Business Administration (SBA) as an 8(a) and an Economically Disadvantaged Women-Owned Small Business (EDWOSB). We are focused on helping the government and all type of businesses in the areas of:

- Grants Management
- Emergency Preparedness and Disaster Recovery
- Forensic Accounting
- Fraud Prevention and Investigation
- Business Valuation
- Value Acceleration and Exit Planning
- Software Implementation Assistance
- Community Liaison and Concierge services
- Other administrative and financial areas.

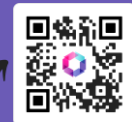

Parallel to the latter, we empower our clients through transference of knowledge to obtain the necessary tools to be self-sufficient. We develop and offer personalized training in grants administration, compliance, and financial matters, among others.

Key Differentiators

At OPS, we believe our key differentiator is the people that make our business grow. The OPS team is composed by a mixture of bilingual (English & Spanish) professionals. As well, subject matter experts with a combined average of over 35 years of experience in fields of grant management, federal regulatory compliance, grants writing, project development, project management, public assistance, disaster case management and recovery, engineering, accounting, mediation, psychology, sports management, law, education, human resources, and finance. In our diversity lies the key to our success.
