

*“energizing the future”*

# ORIGIN

**Mercados Renovables S.R.L.** Was born in 2015 on the initiative of a group of professionals from the field of engineering, biotechnology and business sciences with the aim of mitigating the problem of climate change due to excessive energy consumption of fossil origin. This group decides to create a consultant specialized in integral energy consulting services, focusing on the use of renewable energy sources and energy efficiency.

# VALUE PROPOSAL

The focus of **Mercados Renovables S.R.L.** is in the efficient use of energy and in the intelligent management of renewable resources for their energy use.

**Mercados Renovables S.R.L.** offers its clients the possibility of having an integral and specialized advice for the selection and acquisition of products of high energy efficiency and minimum environmental impact. The result is the implementation of projects that have a high technological component that reduce energy consumption, that allow clean generation and that bring benefits to the community and the environment.

**Current energy matrix.  
Environmental deterioration.  
Climate change.  
Insufficient supply.**

**Energy efficient solutions.  
Environmental damage awareness.  
Involvement of society.**

**Transfer of technology to the productive sector.  
Generation of genuine work.**

**More fair communities.  
Environmental damage reversal.  
Energy security.  
Economic, ecological and social sustainability.**

# MISSION, VISION, VALUES.

## Mission

To become a key player in the production chain of renewable energies, facilitating for this, the advice and professional assistance to those customers who wish to successfully carry out the acquisition of clean technologies.

## Vision

Consolidate the image of **Mercados Renovables S.R.L.** in the national market to establish it as the leading company in the sector that contributes to the awareness of energy consumption and the need to transform the current energy matrix to mitigate climate change and develop regional economies.

## Values

- Commitment with the community; Be socially responsible.
- Respect for the environment; Ensure sustainable projects.
- Customer orientation; Providing added quality value.
- Integrity; Be honest, transparent, and consistent.

## Objectives

Promote the knowledge and implementation of renewable resources and renewable energies by articulating and cooperating with local, national and supranational organizations, promoting their use through the establishment of businesses and actions that tend to the development and consolidation of the sector at the national and regional levels.

# SERVICES

**Mercados Renovables S.R.L.** has a staff of highly qualified professionals with extensive experience in the field of renewable energy and energy efficiency.

The human resource of the company represents, at the same time, its competitive advantage and its greater capital. This allows the company to offer excellent consulting services and support projects that require the implementation of efficient and renewable solutions.

- **Services: Mercados Renovables S.R.L.** provides comprehensive energy solutions based on the implementation of renewable energies and energy efficiency processes for different segments:

- ✓ Residential
- ✓ Commerce
- ✓ Industry
- ✓ Agro

# SERVICES

- **Photovoltaic systems:** We development photovoltaic farms in the modality "general contractor" or turnkey.
- **Bioenergy systems:** We conduct AD projects from feasibility studies to construction, operating and maintenance as well, with the aim of generate biomethane from organic waste into energy.
- **Cogeneration systems:** We commercialize CHP's systems using biomethane as fuel.
- **Efficient systems:** We offer a wide range of efficiency solutions from gas upgrading systems to heat pumps and thermal equipment to save energy.
- **Financing business unit:** We can offer our clients a fundrising tailor made service to get a loan or find investors for their projects or to acquire equipments and technologies of clean generation for them.

# COMMERCIAL DATA

**Business name:** MERCADOS RENOVABLES SRL®

**Address:** 3697 Lavalle Street (C1190AAS) Buenos Aires City

**Director:** FRANCISCO MARTIN PAGLIARO

**Tel./Cell phone:** 54 11 4081 9309 / 2291 3353

**E-mail:** [info@mercadosrenovables.com.ar](mailto:info@mercadosrenovables.com.ar)
