

HELLO.
Welcome to QuiaOmnis!
Bem-Vindo às QuiaOmnis

Established and headquartered in Lisbon (Portugal), QuiaOmnis was founded to bridge the gap between meticulous producers and consumers seeking high quality products. We source high quality produce and supply around the globe.

A global company specialized in international markets, trade and consulting. We ensure a superior level of service to clients based on integrity, mutual trust and ethics.

QuiaOmnis' growth is supported by distribution networks which are based on unique supplier and customer relationships.

We research emerging trends and current markets to ensure all possible supply chains are controlled and utilized.

At QuiaOmnis, a commitment to authenticity and integrity is at the core of everything we do. Our extensive experience in the industry gives us insight to contribute to industry associations. We work within industry standards and regulations to provide a consistent and high level of integrity in our transactions.

[PRODUCTS](#)

[CONTACT](#)

• Broking •

We work only with reputed suppliers to offer a wide variety of quality products to our clients.

Intermediação

Trabalhamos apenas com vendedores legítimos para intermediar os produtos de melhor qualidade para os nossos clientes.

• Consulting •

We specialize in understanding the ever-changing export-import regulations and border crossing processes, which enable us to assist both parties involved.

Consultoria

Podemos ajudá-lo a melhorar a marca da sua empresa, criando canais alternativos de vendas e contratos para apoiar o seu crescimento.

• Import & Export •

We understand the critical importance of quality while maintaining the competitiveness demanded by today's consumers. We source and export a wide variety of high quality products exclusively. Together, we have built a business that is devoted to high quality products and a team that is dedicated to our customers.

• Negotiation •

Negotiation is the key to business success. We're all about collaboration. Our collaborative negotiation approach fosters trust among parties involved. We strive to create agreements between parties with different interests and objectives.

CANIS

• Logistics / 3PL •

We offer third party logistics services through our valued partners with integrated operations and transportation services, which can be scaled and customized to clients' needs enabling value-added services related to the production or procurement of goods.

Logística / 3PL

Através dos nossos valiosos parceiros oferecemos serviços de logística e serviços integrados de operação e transporte, que podem ser dimensionados e personalizados às necessidades dos clientes criando serviços de valor acrescentado relacionados com a produção ou aquisição de bens.
