**United Shipping and Logistics (USL)**, is a full-service logistics company operating globally with regional expertise. Our track record boasts a solid reputation, grounded in our vision of connecting Haiti to the rest of the world.

We do so by efficiently providing top-notch Intermodal supply chain services through an integrated range of companies.

# **/OUR COMPANIES**

Based in Miami, Florida; a centric Logistics zone offering Less than Container Load (LCL) services in which several smaller shipments are assembled and shipped together for better freight rates and delivery time of cargo.

Freight forwarding company established in the Dominican Republic that provides air and ocean logistics services to and from worldwide destinations as well as inland logistics services in Hispaniola.

Organizes air shipments specifically Parcel | Courier (small packages) for individuals or corporations to get goods from the manufacturer or producer to a market, customer or final point of distribution in short transit time.

USL first class freight forwarding services now in the Antilles! Providing air and ocean from/to in the Antilles and Lesser Antilles Islands with local assistance and expertise.

*Digital Freight Fowarder*, offering a Costumer Freight Portal for full visibility and live tracking of our Clients' Supply Chain.

### ***/ USL strives to be a group with global reach and strong regional presence.***
