**ABOUT
US**

**SINCE
1970**

Whale Group finds the deep seas of fierce competition an inspiration to keep itself miles ahead of the other players in the paper products and stationery industry. Making its way to success from a tiny workshop in 1972, the group has interest in paper distribution, paper product manufacturing, printing, leasing and agriculture. Whale is an ISO certified organisation and leads the industry by contributing in formulation of standards for paper and paper products.

Paper & Printing Business has been divided in four parts:

1. Stationery Items
2. Tissue/Hygiene Items
3. Paper Rolls
4. Writing and Printing paper & media

The company is a channel partner for :

AND MANY MORE...

The background features a stylized city skyline with several skyscrapers in shades of gray. Overlaid on this are various geometric elements: a large dark blue triangle at the bottom, a white circle, and several gray rectangular blocks of varying sizes and orientations. A dark blue horizontal bar is positioned near the top right. Diagonal lines are visible in the top left and bottom right corners.
