SÉSAMO REAL

••

SINCE - 1988

For over 30 years, being inspired by sesame.
Small seeds with concentrated energy!

World-known Sesame Seed is our main inspiration!

Since 1988, Sésamo Real has been promoting a business model that fosters the production chain of sesame seed in Brazil. From farm to table, our job is to ensure that the entire process is carried out in an ethical and sustainable manner.

For over 30 years, Sésamo Real has used techniques that modernize the knowledge of our ancestors, still preserving the nutritional value of food, always combined with systematic quality control.

We use stone mills for the preparation of oilseed flours and pastes and cold pressing for the extraction of vegetable oils. Our products are manufactured naturally, without the use of chemicals.

Valuing the trust of its partners and supported by principles such as Sustainability, Ethics and Quality, Sésamo Real guarantees the excellence of its materials and the purity of all products. Therefore, over the years we have cultivated renowned partners in the hospitality sector, healthy food and bakery industry, and food distributors.

TRADITIONAL TAHINI

320g | 11.28oz

This delicious sesame paste is produced by grinding selected grains and peeling them by a mechanical process, without using chemicals. Tahini is a traditional ingredient of Middle Eastern cuisine in typical dishes such as Hummus and Babaganoush.

It replaces eggs and milk in conventional recipes and works as a base for sauces and dips.

Excellent option for a healthy breakfast or snack accompanied by fruit, honey or molasses and granola or in the preparation of smoothies.

Source of vegan protein, calcium, magnesium and vitamin E. Contains high content of antioxidants

Because of its pasty consistency, it favors absorption of the sesame nutrients by the body. Our Tahini is pure and free of any chemical additives.

Ingredients: ground white peeled sesame seeds.

ORGANIC TAHINI

320g | 11.28oz

This delicious sesame paste is produced by grinding organic selected grains and peeling them by a mechanical process, without using chemicals. Tahini is a traditional ingredient of Middle Eastern cuisine in typical dishes such as Hummus and Babaganoush. It replaces eggs and milk in conventional recipes and works as a base for sauces and dips. Excellent option for a healthy breakfast or snack accompanied by fruit, honey or molasses and granola or in the preparation of smoothies. Source of vegan protein, calcium, magnesium and vitamin E. Because of its pasty consistency, it favors absorption of the sesame nutrients by the body.

Our Tahini is pure and free of any chemical additives. Contains high content of antioxidants.

Certified by Ecocert.

Ingredients: organic ground white peeled sesame seeds.

Popular among Asians, black sesame paste is an excellent source of natural antioxidants, protein, calcium, iron and magnesium. Black tahini is so rich in antioxidants that it is considered an anti aging.

It can be used in the same recipes as conventional Tahini and brings an intense flavor to the dishes. Replaces milk and eggs in traditional recipes. Excellent breakfast choice when added to fruit, honey or molasses and granola. Delicious dip with addition of water, lemon and soy sauce. It can be used as base for sauces, dips, fillings and even for the preparation of vegetable milk.

This product is pure and free from any chemical additives. Diuretic and kidneys function strengthener. Contains high content of antioxidants.

Ingredients: black whole sesame seeds lightly toasted and ground.

ORGANIC TAHINI 250g | 8.81oz

This delicious sesame paste is produced by grinding organic selected grains and peeling them by a mechanical process, without using chemicals. Tahini is a traditional ingredient of Middle Eastern cuisine in typical dishes such as Hummus and Babaganoush. It replaces eggs and milk in conventional recipes and works as a base for sauces and dips. Excellent option for a healthy breakfast or snack accompanied by fruit, honey or molasses and granola or in the preparation of smoothies. Source of vegan protein, calcium, magnesium and vitamin E. Because of its pasty consistency, it favors absorption of the sesame nutrients by the body.

Our Tahini is pure and free of any chemical additives. Contains high content of antioxidants.

Certified by Ecocert.

Ingredients: organic ground white peeled sesame seeds.
